# STRAND JACK SYSTEMS

- 800-ton (200-tons each) Strand Jack Systems
- 280-ton (70-tons each) Strand Jack Systems
- 60-ton (15-tons each) Strand Jack Systems
- 250-ton Cantilever Segmental Bridge Lift System
- Coils of Pre-Stressed 15.7 mm and 18 mm Strand
- Dispensers, Re-coilers & Strand Guides

*Additional configurations available to meet your project needs.*

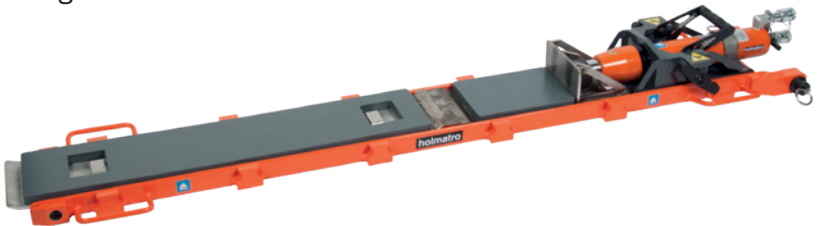

**HEAVY LIFTING EQUIPMENT**  
**RENTAL • SALES • SERVICE**

## SLIDE, SKIDDING & TROLLEY SYSTEMS

- 500-ton Power Slide Systems (114' of track per system)
- 400-ton Low-Height Skidding System LH400
- 400-ton Trolley System with Integrated Lifting Cylinders
- 200-ton Lightweight Skidding System (pictured below)
- 450-ton Hydraulic Turntable
- 340' Low-Height Skid Track

# SLING ADJUSTERS (SYNCHOISTS)

- 1,480-ton (370-ton each)
- 440-ton (110-ton each)

## HYDRAULIC GANTRIES

- SBL1100 Gantry System
- SBL500 Gantry System
- SL60 Gantry System
- Side-Shift System
- Static Links
- Gantry Track
- Lift Beams

## SPMTs, CRANES, DOLLIES & SKATES

- Goldhofer PST SL/E SPMT (2x6-lines, 1x PPU, 45-ton/line cap., 10' width w/pneumatic tires)
- 65-ton Knuckle Boom System (custom bases available on request)
- 30-ton Self-Propelled Load Manipulator
- TK50 Traksporter
- 15-ton Hilman Rollers
- 10-ton Crazy Skates
- 6-ton Omni Skates

# JACKING SYSTEMS, PUMPS & CYLINDERS

- 2200-ton, JS500 Jack-Up System
- 4-port Split-Flow Pumps
- Split-Flow Synchronous Network (up to 16-points per system)
- 600-ton (150-tons each) Climbing Jack System
- 200-ton and 400-ton Cube Jack Systems
- 15-ton Mechanical-Locking Lift System with Synchronous Control (up to 24 points per system)
- Cylinders (up to 300-tons, other models available upon request)
